**Building Remediation Work** – Starting at Level 11 in February contractors will decant a level of the library down to Level 7 so that remediation work can be completed on the empty level.

**Layout plans** of each level are available online [www.Library.canterbury.ac.nz/central/floorplans.shtml](http://www.Library.canterbury.ac.nz/central/floorplans.shtml)  
Printed Layout plans are on the notice boards, next to the lifts on each level of the library.

Staff at the Information Desk on Level 2 will assist with any enquiry.
